

REMARKS/ARGUMENTS:

Pursuant to the office action dated 3/3/2005, please find a corrected response with claim amendments in the form required pursuant to 37 CFR 1.121. Entry of the above amendments, and reconsideration and further examination of this application as amended is respectfully requested. Please cancel all previously pending claims (5-90) without prejudice or disclaimer of the subject matter contained therein. New claims 91-121 are now pending in the application are all of the claims pending at this time as fully set forth herein in a claim listing which is in full compliance with 37 C.F.R. 121.

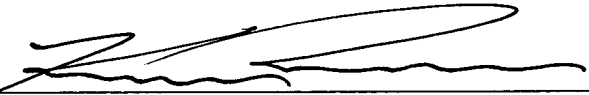

Applicant has also noted your objection to the drawings as set forth in the first office action and has commissioned a draftsperson to correct these drawing accordingly.

CONCLUSION:

A bona-fide attempt has been made to place this application in condition for allowance. Each of the Examiner's bases for objection and rejection have been addressed and the claims have been amended, canceled, or arguments presented to overcome such rejections. The application is now believed to meet all statutory requirements and is thus believed to be in condition for allowance. The Examiner's early indication to that effect is, therefore, courteously solicited.

If a telephone conference would expedite allowance or resolve any additional questions, such a call is invited at the Examiner's convenience.

Respectfully submitted,

By:
